

Martina Toussaint

11/15/18

It is important to go to Mass. It is important because we get to be with Jesus and God. Also, we take Communion and pray for the sick and the people in need. Also, I ask God to help me be a kind person and to try my best. Also, I love listening to the Gospel and Homily. Also, I really like singing because we sing to God and Jesus.

I LOVE going to Mass!
