## Come to Mass!

Going to mass is so beautiful because you get to be with God in his house. Mass is in a place called a Church . In the Church you pray to God and thank him for everything he has done for you and people you know. When you go to mass Jesus is there with you even if you don't see him. Jesus is held in a little beautiful gold box named the Tabernacle.

I can tell you that going to mass is truly amazing! I have gone to mass several times and experienced many beautiful things. One day I went to mass on Sunday and it was amazing. When the priest was preparing the Eucharist I felt the angels coming up from the altar and it was the most beautiful feeling. Also, when you receive the Eucharist you can feel Jesus' presence inside you. During the gospel the priest tells really interesting stories about the life of Christ and things we can do to be more like Jesus. There are many reasons going to mass is important, but going to mass is just a beautiful experience you can have with Jesus Christ.

Every time you go to mass Jesus feels so happy because you are going to visit him. Going to mass is like spending time with Jesus because you are in his house. When you go to mass you should always pray to Jesus because he could answer all your prayers. Another reason you should go to mass is so that you can worship Him after all he suffered and died on the cross to save us from sin. Going to mass is beautiful so you should go and visit Jesus in mass.
